Mayor and 5 Brothers In Reunion

Celebrating his reunion with his five brothers, Mayor O. C. Yenne participated in two happy occasions this week. The first was an affair in Oakland on Tuesday night, the second a dinner party in San Francisco.

Mayor Yenne, 50, the youngest of the sextet, greeted his brothers and their wives as they gathered here this week for the joyous event. An intended celebration, scheduled last Sunday, was postponed until all arrived.

From Madera came Mr. and Mrs. Lee Yenne, residents of that city for the past 20 years. He is a rancher, is 62 years of age.

Seattle sent Mr. and Mrs. Joe C. Yenne, who have lived there for 30 years. A machinist and carpenter, this brother is 58.

Mr. and Mrs. Peter Yenne came from Creston, Montana, to attend the fete. The latter is 56 and a rancher. The couple has lived in Montana 38 years.

The North is also the home of Mr. and Mrs. Harry Yenne, who hail from Seattle, where they have lived for 20 years. He is 54 and is a machinist by trade.

The nearest brother of the Albany official, Dr. George E. Yenne, 52, is an Oakland chiropractor, has maintained office in the nearby city for over 20 years. He also attended with his wife.

Only surviving member of the Yenne family who was not present, according to reports, is Mrs. Bernice Mattix of Lone Pine, Montana. Mrs. Mattix is 64.

Mayor and Mrs. Yenne, hosts to those present, have resided in this city for the past 17 years, coming here from Richmond. Before owning the grocery store on Solano Avenue, he was an employee of the Standard Oil Company. He has operated the local business for nine years.

Also guests were Mr. and Mrs. Fred Ziest of San Francisco. The latter is the daughter of Mr. and Mrs. Lee Yenne.

High School to Present Musical Fete for Adults

To show parents the splendid work being done by the musical department of the High School, an "Evening of Music" will be presented for adults next Wednesday night, announces Principal C. A. Moore. The program will start at 8:15 p. m. and is under the direction of Mrs. B. Gregory and Armin Wegner, musical instructors.

Gerard Sharkey, master of ceremonies, will introduce the Novelty Orchestra, the school orchestra, the Boys' and Girls' Glee Club, Gerald Joseph, Trombonist; Margaret Burke, violinist; Dorothy Potter and Dorothy Geach, piano duo; Hubert Ham, trumpeter; Blanche Regalia, pianist; George Rutan, bassoonist; the Girls' Trio, Dorothy Potter, pianist; Nancy Johannecht, saxophonist; the Rhythmaires and other talented performers.

Free tickets may be secured from the school office.

Ford Dealer in Novel Sale Plan

Purchasers of used cars are assured of a gasoline supply for a while, according to the novel plan now offered by the Norman Wolf Company, 836 San Pablo Avenue. To all who buy a car costing \$245 or over, the firm is offering 50 gallons of fuel, tells Norman Wolf, manager of the local Ford store.

Those buying less expensive cars will receive 10 free lubrication jobs. The special offers are being made to attract attention to the many fine "R" and "V" used cars that the company is offering in a sensational spring clearance sale. All models and makes are on display at greatly reduced prices.

Wallace George Sheldon, 1108 Kains Avenue, and Claire H. Pelletier of the Leandro were married Tuesday noon by Judge Louis J. Hardie. Mrs. Myrtle McLean, court attendant, and Mrs. Edna Brown were the witnesses.

V.F.W. Backs Aid Program

Pensions of \$22 a month for World War veterans' widows who have not remarried, with small additional allowances for minor or dependent children, are proposed in H. R. 2085, a bill being sponsored in Congress by the Veterans of Foreign Wars of the United States.

The bill and its provisions were discussed at the last meeting of Leland Bergesen Post No. 2658.

"H. R. 2085 was unanimously favored in a report from the House Committee and is now on the calendar of the House of Representatives", explained Commander F. F. Hayhurst. "The \$22 a month would be provided for the unmarried widow of any deceased World War veteran, if she had been married to him prior to July 2, 1931, or by whom she had a child born alive, together with \$6 a month for each such child less than 16 years of age, or up to 21 years old if attending an accredited school, or if permanently incapable of self-support by reason of mental or physical defect.

"In supporting this legislation, the Veterans of Foreign Wars of the United States is simply asking Congress to follow an established precedent under which widows and orphans of veterans of previous wars in this country have been similarly aided."

The great majority of those who would be eligible to Government aid under this legislation are pathetic victims of conditions and circumstances over which they have no control, Commander Hayhurst stated. "Among all those for whom the Federal Government has a definite responsibility, the widows and orphans of World War veterans—and the Nation's disabled veterans—are certainly entitled to first consideration", he said.

Death Takes Mrs. I. Stone

Funeral services were conducted yesterday afternoon for Mrs. Ida May Stone, 81, who passed away Monday night at the home of her daughter, Mrs. Karl Pelegrin, 823 Santa Fe Avenue, after a lengthy illness. In charge of the rites was the James J. Ellis Company. Interment was at the Berkeley Cemetery.

Mrs. Stone had lived in the bay district for the last 10 years. She was a native of Ohio, a descendant of the famous Carter family of Virginia, her mother being Jane Adeline Carter. She had made her home in Indiana and Texas before coming to California. She was a member of the University Christian Church of Berkeley.

Also surviving is a daughter, Mrs. Ruth Van Winkle of Logansport, Indiana; two grandsons, Karl Pelegrin, Jr., and Robert Pelegrin of Tulsa, Oklahoma, and a great-granddaughter, Mary Juanita Pelegrin, also of Tulsa.

Leon R. Hess Tells Views In City Race

Leon R. Hess, candidate for the Board of Education, 708 San Carlos Avenue, declares that only the highest type of public service should be allowed in a city's educational system.

"Interest in school board elections varies from one of apathy to one of intense bitterness" says Hess. "But whatever the issues I deem it fundamental that the thoughtful voter is convinced that the administration of our schools should be in capable hands. It is the duty of each voter to see that such obligation is rightfully placed."

Hess, in a statement of his policies, adds: "The individual who is raised to the post of school administrator must primarily have the confidence and certainty that he has the character and ability to act judiciously on all matters which may come before him. The purpose of our school system is not for edifying the Board of Education or teachers. That system exists solely for the interests of the school child and all housing, educational, playground and athletic programs should be directed with that thought in mind."

Of broad educational background, Hess attended Stanford University and was a graduate from Purdue University in 1917. A veteran of the world war, serving one year in the A. E. F. as lieutenant in the sanitary corps, Hess is a chemist by profession and for several years has been employed as petroleum technologist. He is a member of the Albany Acacia Club, has resided here for over seven years.

"Should I be elected I am prepared to work and cooperate to the fullest extent so that the schools of Albany be maintained on a high educational level", he states.

Blaze in Cafe Halts Diners

Hungry diners bent on luncheon at DeBiasi's yesterday noon were rudely jolted to arrive and find one of the Fire Department's trucks in front of the place, with firemen busily putting out a blaze in the kitchen. The fire began when grease took fire and quickly ignited the walls and ventilating shaft.

Using chemical extinguishers, firemen under the direction of Chief Carl Ahlgren put out the stubborn blaze which at times sent 20-foot flames out above the ventilator opening on the roof. Hoseman Walter Lynch incurred minor cuts on his hand from a skylight while at the scene.

The damage will be repaired sufficiently by this evening to permit the serving of dinner, announces Tony De Biasi, owner of the restaurant at 860 San Pablo Avenue. Firemen were summoned by Mrs. Beatrice Raymond, president of the Chamber of Commerce, who operates a real estate office nearby.

It's Cigars for Al Mortara: Son

Proud new parents are Mr. and Mrs. Al Mortara of 1247 Dartmouth Street. Cause of their elation is Donald Alolan, born to Mrs. Mortara at 2:30 p. m. last Friday at Alta Bates Hospital. The newborn weighed seven and one-half pounds.

"Papa" Mortara, who has been passing out the cigars from the meat department he operates in Villa's Market, is also the owner of the Alrose Market on Gilman Street. He and Mrs. Mortara are active members of the Breakfast Clubs and other local organizations.

Men's Club Plans Meet on Sunday

With the new president, Frank Ryken, in charge of the meeting, members of the Men's Breakfast Club will gather next Sunday morning at 9:30 for their usual good-time session at DeBiasi's, 860 San Pablo Avenue.

A large attendance is expected, it is announced. Many surprise features are to be presented.

To Celebrate Jefferson Day On April 13th

Robert L. McWilliams, chief deputy United States District Attorney will be the principal speaker at the third annual Berkeley-Albany Jefferson Day dinner at the Hotel Whitecotton, April 13, announces Fred G. Clute of this city.

Additional speakers scheduled for the affair include Clifford C. Anglim, Democratic state chairman and Collector of Internal Revenue; Mrs. Lucretia Del Valle Grady, vice-chairman of the Democratic National Committee; Ellis E. Patterson, assemblyman from King City; and Walter P. Koeltz, W.P.A. director for Alameda and Contra Costa Counties. Prof. Max Radin of the University of California will be toastmaster.

Numerous Albany city officials and civic leaders have signified their intentions of attending the Berkeley gathering which will be one of a large number of dinners to be held throughout the nation in honor of Democracy's first great leader, Thomas Jefferson.

The local celebration is sponsored by the Democratic coordinating council of Berkeley and Albany, of which Lloyd C. M. Hare is chairman. Clute is general chairman of the dinner committee.

Local Church Group Hears Crime Talk

Speaking on "Law Enforcement" last night at Albany Baptist Church, Lloyd G. Jester, former Federal, State and County peace officer, declared that education of young people in crime prevention work is the most important civic responsibility of the present day.

"Why fill jails with narcotic addicts when education of young people as to dangers of this evil will save misery for individuals and money for taxpayers?" asked Jester, who served several years as narcotic inspector in the Oakland district. "Records show that only two out of every 25 persons discharged from state hospitals after treatment for the drug habit stay 'clean'. The others, faced with costly purchase of drugs, turn to criminal methods to obtain money and we find our jails and penitentiaries filled with these men and women."

Speaking from experience as a member of the homicide detail of the Alameda County Attorney's office, Jester deplored the menace of the drunken driver on the highway.

"Gasoline and liquor don't mix—that's an oft-repeated expression but it can't be used too many times", said Jester, who spoke at the invitation of Victor A. McKee, pastor of the Albany Baptist Church. "I should like to caution parents to know where their children are going when they leave home nights and to make certain that apparently harmless activities may not lead to trouble and suffering. This is a responsibility parents must take in co-operating with law enforcement officials in the important work of crime prevention."

Thoughtless acts of young people many times lead to serious situations for which they suffer all of their lives. The chief aim of modern law enforcement is not to fill jails with criminals but to keep young people out of them."

Albany Scout to Seek High Rank

Application for the rank of Eagle Scout, one of the highest ranks in Boy Scout organization, was made this week by Leo Jungnickel of Troop No. 46 with the National Council of Boy Scouts of America.

The application followed the presentation of the number of merit badges necessary to make him eligible, which he received at a Court of Honor held at the Albany Community M. E. Church last Thursday evening, according to Jack Rubenstein, scoutmaster.

Others awarded badges were Charles Savio, Basil May, Jr., and Norman Carmichael.

The birthday of Miss Gracey Higgins was feted Sunday at a dinner party held at the Lake Merritt Hotel in Oakland. She is the daughter of Mrs. Grace Higgins, city treasurer.

2 Men Named As Managers

As part of his expansion program in the face of improving business conditions, Gerald Murphy of the Murphy Chevrolet Company, 916 San Pablo Avenue, announced the appointment of Henry Villa as new car sales manager and Earl Ivy, in charge of used car sales. Both advances become effective today.

Villa has been with the firm since its opening three years ago, has been a

HENRY VILLA

member of the Chevrolet 100 Car Club each year and has an outstanding sales record for new and used cars, Murphy related. It was for this reason that he was chosen for the managerial position. "The new used car manager has been

EARL IVY

with me for more than two years, has clearly demonstrated his sales ability", said the Chevrolet dealer. "His new post will give him a better opportunity to show his caliber along these lines."

For Villa, the promotion comes on the heels of the announcement last week that he was the father of a bouncing baby son, his and Mrs. Villa's second child. He is a brother of Joe Villa, local grocer.

Ivy has spent 15 years in the automobile business, in the East Bay and in Reno. He is also a resident of this district.

Single Men Play Alumni on Sunday

Fresh from their recent triumph over St. Mary's, the Albany High Alumni will meet Joe DeMaria's Single Men next Sunday afternoon at University Park, it is reported. Time of the game has been tentatively set at 2 o'clock.

Coaching the former Albany High players will be Kelly Bryan, athletic director at the school. Bryan reveals that the game is a "challenge" affair and should prove decidedly worthwhile.

Instructs Scouts

Nineteen tenderfoot Girl Scouts of Troop No. 21 convened at the home of Mrs. John L. Campbell, 716 Carmel Avenue, last Tuesday and were instructed how to earn child nurse badges by Mrs. Audrey Gaiser, school nurse.

Providing a satisfying menu for Albany's baseball-hungry fans, the second annual Baseball Day was held Sunday in University Park, drawing an estimated attendance of over 2500. Four thrill-packed games were "dished up" to fans in the program put on by the Recreation Department and local merchants.

The fun and excitement began at 10 o'clock when two softball games were offered. In a tight game, the local Recreation Leaders downed the Oakland Central Creamery team by the score of 8-6.

Simultaneously, on the other field, the Marin Dads and the Albany High Dads were putting on a sensational nip-and-tuck battle, the opening clash in the Dads Club Softball League. Marin emerged after trailing most of the game, with an 8-6 contest.

HIGH SCHOOLS MEET

At noon the Albany High Alumni, coached by Kelly Bryan, began a closely played encounter with the varsity nine from St. Mary's High. The latter, under the tutelage of Coach Al Collins, finally bowed in defeat with the scoreboard reading 1-0.

Next to be presented were the field events for players. Awards for throwing, fungo hitting and base running were won by Martin Tierney, Frank Peacock, W. Rogers, Tony Cola, Larry Guay and Gene Kiley.

A number of splendid gate prizes were distributed to those present by Miss Ruth Griffing, serving as "Queen" of the day. Winners of the first two were R. G. DuFrane and Miss Edith Stoner, respectively.

rites OPEN SEASON

In rites to officially open the baseball season in Albany, Mrs. Beatrice Raymond, president of the Chamber of Commerce, faced the pitching of Mayor O. C. Yenne. Despite valiant attempts to "swat" the mayoral upshots, she was forced to retire without a hit. Appearing in the role of catcher was Judge Louis J. Hardie, while Carl Ahlgren, fire chief, donned the umpire's armor for the occasion.

With Charlie Tye, well known sports enthusiast and announcer, at the microphone, fans were treated to a vivid play-by-play description of the opening ceremonies. Gallantly he described the nearness with which Mrs. Raymond's bat missed the hurtling ball.

BRAUNS VS. MERCHANTS

Climaxing the big day, the Albany Merchants led by Louis Nora locked bats with Louis Griffing's Braun Mattress team for nine innings of ball that had fans hoarse by the end of the day. Final score, Braun supporters rejoiced, was 5-4.

Last chance the Merchants had to score was in the ninth when their "Ecky" Burnett crossed the plate with what could have been the tying run. Umpire Tappero called him out, a decision that brought a flurry of excitement as players and fans crowded the field to argue. He stood his ground, however, aided by Officer John Viarengo and others and, a few moments later the game was a matter of history, to be argued over by partisan fans until the teams' next encounter.

In charge of distributing the free Coca Cola, hot dogs and ice cream, were the members of the Federal recreation project. More than 30 workers capably handled the huge crowd with dispatch.

To Bill Green, chairman, organizer and promoter of the highly successful event, Albany fans owe a rising vote of thanks. The "day" was due to his hard work and that of his committee, Charles Ham, Coach Bryan, Coach Collins, Griffing, Nora and George Sutton.

Plan Bike Races For Tomorrow

Youthful Albany riders, boys and girls, will compete tomorrow morning in bicycle races to be staged by the Recreation Department at Key Route Boulevard and Solano Avenues at 10 o'clock. A circular one-mile course has been laid out.

Let's Bring PEACE To Albany's Politics

It is common knowledge that until two years ago, Albany was known as "the political hot-bed of the East Bay." Until two years ago, the City Administration was forever boiling with factional disputes, one side forever opposing another. Seldom, no matter how important an issue may have been for the good of the City, was there evidenced a willingness among officials to agree.

TWO YEARS AGO THE PEOPLE OF ALBANY LITERALLY "TOOK THE BULL BY THE HORNS" AND STARTED TO CLEAN HOUSE. THE PEOPLE OF ALBANY PLACED A THREE-MAN MAJORITY ON THE CITY COUNCIL AS A FIRST STEP TOWARD BRINGING HARMONY INTO LOCAL POLITICS.

OF THAT FORMER ARGUMENTATIVE REGIME, WHICH THE PEOPLE OF ALBANY REPUDIATED BY AN OVERWHELMING VOTE TWO YEARS AGO, THERE STILL REMAINS TWO MEMBERS ABOUT TO COMPLETE THEIR TERMS IN OFFICE.

These two candidates have the effrontery to ask the people of Albany to return them to office for another four-year term. These two candidates, endorsed by the United Citizens' League and representing the group rejected by voters at the last election, would have the people vote A CONTINUATION OF PETTY WRANGLING, UNDIGNIFIED HECKLING WHEN IMPORTANT CIVIC MATTERS ARE AT STAKE. THE TWO CITY COUNCIL INCUMBENTS WOULD HAVE THE CITY OF ALBANY CONTINUE TO BE THE LAUGHING POLITICAL CENTER OF THE BAY REGION.

But it is hoped the people of Albany are as determined on April 11 as they were two years ago, to oust the two stumbling blocks hindering the restoration of harmony in local civic affairs.

WHAT THE VOTERS INITIATED TWO YEARS AGO, SHOULD BE BROUGHT TO A PERFECT CONCLUSION. LET US HAVE HARMONY ON THE CITY COUNCIL FOR A CHANGE.

Let us have men in office who are pledged to weigh every problem on the basis of value to the City as a whole; NOT HAVE TWO MEN IN OFFICE WHO WOULD RATHER HAVE THE CITY SUFFER THAN TO VOTE IN ACCORD WITH THEIR POLITICAL OPPONENTS.

REMOVE THE STIGMA OF POLITICAL PARTISANSHIP FROM THE IMPORTANT OFFICE OF CITY COUNCIL.

The people of Albany are asked to vote for Ernest C. Blow and Harold L. Burlingame on April 11 because these two candidates are NOT POLITICAL OPPONENTS of the three Councilmen whose terms do not expire for two more years. BLOW AND BURLINGAME ARE NOT POLITICAL OPPONENTS BECAUSE THEY HAVE NO AXE TO GRIND. NO FAVORS TO CURRY, ONLY A PLEDGE TO THE PEOPLE THAT EVERY ISSUE WILL BE WEIGHED BY THEM ON THE BASIS OF VALUE TO THE CITY, AS HAS BEEN THE POLICY OF THE THREE MAJORITY MEMBERS.

BOTH BLOW AND BURLINGAME HAVE A THOROUGH KNOWLEDGE OF ALBANY'S PAST AND PRESENT, AND HAVE DEFINITE PROPOSALS FOR THE FUTURE. Both are members of the Park, Planning and Zoning Commission, and are vitally interested in property developments and maintenance of a tax-rate low as possible in relation to the growth of the City.

THIS TIME, MAKE IT A CLEAN SWEEP OF WRANGLING. PARTISAN POLITICIANS BY REJECTING THE APPEAL FOR RE-ELECTION OF THE TWO 'OLD ORDER' CANDIDATES.

ELECT BLOW AND BURLINGAME TO THE CITY COUNCIL ON APRIL 11, THEN LET'S START WITH A SMOOTH-RUNNING ADMINISTRATION IN PREPARATION FOR THE 1939 GOLDEN GATE EXPOSITION AND ALL THAT IT SHOULD BRING TO EAST BAY CITIES.

Vote a straight Albany Progress League Ticket!

Yesterday, in one of the local newspapers, the United Citizen's League, a local political organization, published a full-page advertisement and, under the title, "An Open Letter to Voters," there appeared lie after lie attacking the character of candidates supported by the ALBANY PROGRESS LEAGUE.

BY MALICIOUS INSINUATION, THE UNITED CITIZENS' LEAGUE INTIMATED THAT ALBANY PROGRESS CANDIDATES HAD SHAMEFULLY COMPROMISED THEMSELVES BY PROMISING CERTAIN GROUPS TO BRING ILLEGAL GAMBLING INTO THE COMMUNITY.

The Albany Progress League believes that the people of Albany are sickened of political mudslinging, and are against resorting to such methods for securing votes. THE CANDIDATES SUPPORTED BY THE ALBANY PROGRESS LEAGUE ARE HONORABLE MEN AND WOMEN, AND SUCH COWARDLY METHODS OF ATTACK SHOULD BE CONDEMNED BY EVERY FAIR-MINDED VOTER.

THE ALBANY PROGRESS LEAGUE DEMANDS THAT HEREAFTER WHEN A POLITICAL GROUP PUBLISHES ANY STATEMENT INTENDED TO BESMIRCH THE CHARACTER OF OTHER CANDIDATES, THAT FACTS CONCERNING THE NAMES OF INDIVIDUALS, AND THE ACTUAL CIRCUMSTANCES BE CITED UNDER PERSONALLY SIGNED STATEMENTS.

THE CANDIDATES ENDORSED BY THE ALBANY PROGRESS LEAGUE WILL CONTINUE TO CONDUCT A CAMPAIGN BASED ON FACTS, QUALIFICATIONS AND HONESTY.

Charlie Anderson Has Party on Birthday

With bingo and other games, Charlie Anderson entertained a group of friends who gathered at his home, 1036 Pomona Avenue, last Monday afternoon to celebrate his eleventh birthday.

Later refreshments were served at

a table which had a centerpiece of snapdragons and irises around which orange and blue Easter bunnies cavorted.

The guests were Gene McGeorge, Dick Young, George Sutton, Billy Norin, John Jungnickel, Carl Larson, Roy Fischer, Freddy Duncan, Willis Icardo, Jack Sharkey, Ed Litsinger and Billy McGaw.

Editor of Albany Times,
Albany, California.

Dear Sir:

My attention has been called to the fact that a City election is now in progress in your City and among the offices to be filled is that of Judge of the City Court.

The present Judge, Louis J. Hardie, is a candidate for retention to the office he now holds and I take pleasure in informing you that I have known him since boyhood. I can vouch for his honesty and integrity and also to the fact that he is a self-made man. He has earned his own way since he was fourteen and not only maintained and supported himself during all that time but for upward of ten years he and his brother maintained and supported an invalid mother and later an invalid father for three years.

I am particularly interested in Mr. Hardie, on account of my past associations with him where he has always proved himself an able and efficient gentleman, who is entitled to succeed. With these facts in mind I am sure all will agree that Mr. Hardie can be placed in that class of men whom we style "self-made."

Yours very truly,

(Signed) A. D. KETTERLIN.

Progress League's Advances Qualifications in Favor of Ford

One of the most pressing police problems of this country is youthful criminals, actual and potential. Where can you find a man more capable of meeting this problem than Alexander L. Ford, candidate for Chief of Police of your city.

His fifteen years spent training the youth of the University of California gives him an outstanding advantage in understanding youth and their problems.

If the failure of our police system in this Country to handle crime more effectively can be ascribed to any one reason, certainly the most prominent would be efficiency and discipline. The discipline and efficiency acquired by Alexander L. Ford, during his years of enlistment from the ranks to a Captain has preeminently fitted him to handle this police problem effectively to a far greater degree than any other candidate. From the standpoint of our own local police problems, who will most likely be in a better position to understand the needs and desires of the people of this community? Certainly one who has lived here a long time, who has believed in the worth of the community sufficiently to own property here, one who has during the years taken an active part in the civic and social affairs of this community. Alexander L. Ford has done this to a far greater extent than any other candidate for Chief of Police.

1. He has lived and owned property in this City for 12 years.
2. He has served as a member of your city council.
3. He has served as a member of your Board of Education.
4. He is now the President of your Traffic Safety Commission.
5. He is a member and has served as Commander of your local Post of the American Legion.
6. He is a member and has served as Commander of your local Post of the Veteran's of Foreign Wars.
7. Your Board of Supervisors has selected him as President of your Veterans Memorial Building Commission.
8. He is a member of your local Acacia Club.
9. He is a member of your local Chamber of Commerce.
10. He served for three years as chairman of a Boy Scout Troop Committee, and was active in starting the Junior Traffic Police, being the first instructor of the boys at Cornell School.

Another factor why you should vote for Alexander L. Ford, for your Chief of Police is the problem of cooperation. As you know by Charter provisions and by law your City Council is charged with the burden of seeing that your city is well governed. In order to do this effectively the Chief of Police must be in sympathy with the aims and objects to be accomplished by your City Council, and work in harmony with them.

We therefore respectfully submit to the voters of Albany that the foregoing reasons should make Alexander L. Ford, your overwhelming choice for Chief of Police at the election on April 11th.

We pledge you our continued best efforts to maintain Albany as a clean progressive city at the least possible cost consistent with good Government.

BEAN GUESSING AND BALLOTING

Election time in a Democracy is a period when the electorate is supposed to be making up its mind preparatory to giving its "consent" to be governed. If this period of time is not used by the electorate to study the various candidates asking for your vote and to study the various issues involved in order to cast an intelligent vote, then the so-called Democratic principle of the "consent of the governed" will amount to little more than a hit or miss guess of a bystander on the number of beans in a jar in the familiar store window. The difference of result however in a bad guess as to a candidate for office and the number of beans is radically different — the candidate elected will take charge of a portion of your government for a period of years whereas the bean guesser needs but to change his mind as to the number in order to secure a more perfect result — the voter must wait for at least two to four years to have a second guess.

It is therefore apparent that the casting of a vote carries with it a responsibility of taking more care — of more study — of more thought as to qualifications, Albany's election on April 11th, which brings before you candidates for City Council, School Board, Chief of Police, City Attorney, and City Judge, all of whose terms run for four years, is therefore of more than passing concern to the voters of this community.

During this period of one and one-half weeks before election, then, what should the voter be interested in about the various candidates in order to form-

ulate his or her decision as to who to vote for. As an aid to that end the following are suggested:

1 — Residence and ownership of property in the community. For certainly, length of residence and ownership of property in the community tends to stability and to certainty of acquaintance of a candidate with the problems which confront that particular community.

2 — Personal qualifications to fill the office.

3 — Principles or platforms to which the candidate adheres.

4 — The group or groups who back or sponsor the candidate. To later, certainly, is all important. Because it is rarely possible for a large portion of the voters to know the candidate individually or to investigate the various claims of qualifications that each advances or to determine soundness of principles for which each stands. It is to fill this need that our National and State political parties have grown up whose duty it is to investigate candidates to evaluate principles and to recommend to voters for their consideration the result of their deliberations.

In smaller political units such as smaller cities and towns this need is filled by public spirited groups who are willing to study the questions of qualifications and principles more thoroughly than the average voter has time to do, and who, after such studies, sponsor or endorse candidates for office. The voter then, by following the recommendations of the group whom he feels more nearly represents the aims and objectives they believe in — whose city-wide representation gives substantiality and reliability — whose past recommendations have proven sound, can probably cast as intelligent vote as is possible under this system of self-government.

The recommendations of a group who represent the various districts of a community are in the main less liable to be swayed by personal consideration than the recommendation of an individual and therefore more in keeping with the needs of the community.

The result, whether good or bad government, will depend upon the voters themselves, and the intelligence that they themselves exercise in casting their votes.

Let everyone therefore, entitled to vote, cast his or her ballot on April 11th, 1938.

Rex Beach Story Shows at Cerrito

What is reported as a finely balanced program opens at the new Cerrito Theatre today. A modern version of Rex Beach's favorite story, "The Barrier", filmed in forest and mountain and featuring Leo Carrillo and Jean Parker, heads the bill. Sharing the program are those popular radio favorites, Fibber Magee and Molly, and Mary Livingston in "This Way, Please" with Buddy Rogers and his swing band and vivacious Betty Gable.

Saturday will usher in William B. Hoel (Hopalong Cassidy) in "North of Rio Grande", and the glamorous Dorothy Lamour, from "Hurricane", in "Jungle Princess". The kiddies' matinee on Saturday will have a program of 4 units, it is announced, and Tod Win continues to be popular on Saturday and Sunday nights.

SPORTS

—By Bill Theilacker

IN A. C. A. L. OPENER

Albany High School will make its 1938 debut in the Alameda County Athletic League baseball this afternoon when Kelly Bryan takes his varsity nine over to Richmond, a slight favorite over the "dark horse" of the league.

With but one loss throughout their entire practice season, the Cougars will attempt to keep this record up to par in the remainder of the league contests.

Bryan has something to talk about in his pitcher, Roy Pitter. While only a sophomore, Pitter has pitched the Cougars to the position of a threat team. Other players who will probably see action for the locals today are: Mas-Nammar, ss; Barassi, 2b; Nora, 3b; Guay, cf; Houser, lf; Lawson, lb; Tschamer, rf; Cola, c; Pitter, Lawson or England, p.

MEET IN BERKELEY
Albany's claim to supremacy in track may be answered today, when Coach La Verne Brown's trackmen travel to the Jacket field. While held to a mere 28 points against Hayward last week, the Cougars are still looking for a victory.

In Class "A" competition Brown will pit Don Ward, all-round-ace against whatever Berkeley has to offer. The

track mentor has a "B" team that is hard to beat. The Hayward Bees found that out and had to be satisfied with a 34-34 tie last week.

GOLF AT ALAMEDA

The local high school golfers also take to the road this week, when Albany meets the Gol'en Hornets of Alameda tomorrow morning in the first league match of the season.

The Cougars will be up against a tough proposition. Alameda laid claim to the County title last year. Without any practice matches played and only a few workouts to their credit the boys will find it hard going.

The course has not been named as yet on which the club wielders will play, but you can make sure that it will be a good one.

When other golfers travel here, the matches will be held either on the Berkeley Country Club at Orinda.

GREATEST PROTECTION YOU'VE EVER HAD AGAINST BOTH SKIDS AND BLOW-OUTS

• Before you experience that pit-of-the-stomach feeling that comes when a skid zig-zags your car wildly over a wet, glassy road—before a high-speed blow-out throws your car out of control—let us equip your car with a set of new Goodrich Safety Silvertowns.

Outside it has the new Life-Saver Tread to give you a dry track on wet, slippery roads and stop you quicker, safer than you've ever stopped before; inside it still has the famous Golden Ply to provide you and your family with real protection against dangerous high-speed blow-outs.

Next time you buy tires, remember this money-saving fact. Many tires cost more, but no other tire—at any price—can give you this two way protection against both skids and blow-outs.

PREPARE FOR RITES DURING BASEBALL DAY

This group of prominent citizens is awaiting the official opening of the baseball season, part of the Baseball Day program last Sunday. left to right: Charlie Tye, famed sports announcer, who acted as master of ceremonies; Louis Griffing, manager of the Braun Mattress team; Jake Nora, manager of the Albany Merchants; Mayor O. C. Yenne, all set to pitch; Judge Louis J. Hardie, honorary catcher; Fire Chief Carl Ahlgren, who bravely took the job as umpire pro tem, and Mrs. Beatrice Raymond, who wielded a bat during the opening rites.

PARKS ARE CROWDED

After adverse weather conditions of the past few weeks, attendance records at Albany's parks were broken, as crowds thronged to Memorial, Terrace and University parks to enjoy the crisp, sparkling early spring weather.

Baseball Day in University Park last Sunday helped swell the attendance totals with an estimated crowd of over 2500 diamond enthusiasts. Kite Day, staged in the Buchanan Street playground the previous day, also added hundreds to the list of participants and spectators visiting the park.

The two major events at University Park failed to slacken the flow of children and adults to Terrace and Memorial Parks as recreation leaders at both locations reported kite flying, family picnics, tennis playing and sand play activities drew large crowds.

According to Thomas L. Farnsworth, director of recreation for the Albany Recreation Department and its Federal Recreation Project, attendance reports of 1938 not only show a decided increase over the past few years, but the number of adult participants in sports and activities is steadily on the upgrade.

More and more, according to Farnsworth's figures, through a well organized recreation program and the inauguration of new activities by his department, the man and woman who were content to be a spectator, now have become active participants.

SOFTBALL STARTS

Jumping the opening gun of the 1938 softball season, two prospective entries in the Albany Recreation Department Sunday Morning Soft Ball League, the Albany Recreation Leaders and the Oakland Central Creamery team showed a mixture of mid-season form and ragged play in their game.

Scouting Mothers of Troop No. 45 will hold their next meeting on Monday, April 4, at the home of Mrs. Jewel Rubenstein, 1049 Curtis Street.

Friends of Margaret Bowden will be glad to hear that she is now convalescing from a tonsillitis operation which she underwent last week. She is the daughter of Ralph Bowden, organist at the Albany Baptist Church.

Mr. and Mrs. R. D. Devoe, who formerly resided with the latter's mother, Mrs. Marie Hook, of 938 Evelyn Avenue, moved into their new home in Berkeley last Friday.

W. Hill, superintendent of the Albany Baptist Church, attended services for the first time last Sunday after a long absence. He recently was discharged from Fort Miley Hospital.

MARIN SCHOOL NOTES

YO-YO'S BIG HIT

Since Yo-Yo season is at the door once more, the children of Marin School are buying them very rapidly.

The boys and girls were interested by the splendid performances of two men, one a Filipino and the other an advertising agent from an Oakland store. They did such things as throwing Yo-Yo's up in the air and catching them in their pockets. All the children are now striving to be the best performer in the school.

THE SIGHT OF SPRING

The kindergarten children recently went on their spring walk. This walk was to see real gardens. Then they will make a garden for themselves from paper and wood.

They have decided that they want flowers, trees, a fish-pond, a fence and many other things that are in most gardens. Already they have started the building of the fence around the garden.

—By Jacqueline Smyrl.

JUNIOR POLICE

After the report card period the Junior Police squad usually changes, but by luck everyone is still on it this time. Some of the new boys on the squad are Egon Zahn, Stuart Nunn, Bill Young, Clarence Cottam and Norman Foley.

At the "Dads' and Sons' Night" program, the Junior Police served as ushers and also helped the children back and forth across the street.

PICTURES OF PHILIPPINES

An interesting movie of sugar-making in the Philippine Islands was shown the students Wednesday. The life of the natives was also disclosed in slides that were presented yesterday to students of the first, second, sixth and seventh grades.

Miss Turner is displaying a number of unusual pictures she received from her sister and brother-in-law. The latter is a mining engineer in the islands, occupies a position with a gold mine that employs 6000 miners.

STUDENT COUNCIL

The Student Council meeting last week really had something accomplished. The chart for grade inspections was ready for use. It was made on a large piece of white cardboard. On the left side they have printed all the grades from the first to the seventh. The right hand side is for the purpose of rating the classes by number according to their degree of neatness.

This chart will be put in the main hall for all the children to see as progress is made.

Bon Voyage Party Given K. Marten

Before embarking for Germany, where he plans to make his future home, Klaus Marten was feted last week at a party given by a group of friends at the home of Miss Mary Ellen Smith, 1334 Washington Avenue.

After he was presented with a leather zipper binder, on which his name was embossed in gold letters, the evening was spent dancing and playing games.

The guest of honor arrived in the United States from Germany about three years ago. For the past two years he has resided on Santa Fe Avenue, attending the Albany High School.

His classmates convened at the Berkeley station last Saturday evening to wish him "bon voyage." Bryce Brooks gave him a gift of stationery before he entrained and he promised to write to his local friends en route.

Those present at the party were Jean Scott, Doris May McDuffee, Marilyn Tatton, Patricia Brown, Mary Jane Brotzman, Julia Coggiola, Frances Williams, Carol Barnes and Phillip Pearl, Bryce Brooks, Clement Haggerty, Ralph Watson, Robert Penny and Jim Turner.
